This week has been fantastic for Sinnington Primary School with Maypole dancing and a successful fair on Monday and Ofsted releasing our report with a solid judgement of 'Good' and a range of positive comments.

### Ofsted:

I am hugely proud to reveal that we have received a 'Good' judgement with some fantastic and glowing comments made by the Inspector: testament to the positive changes that we have made in school since September and the hard work and dedication of all the team. The children also played their part, talking positively to the Inspector about their learning and how much they enjoyed their new projects. A final thank you to all parents who were able to comment so positively about school. The Inspector was impressed that 97% of parents would recommend Sinnington Primary School. The report has now been sent to every family via Bromcom and the report is also available on the school website.

### Maypole:

The weather wasn't the best, however the children who took part in the maypole dancing were excellent. A huge thank you to all 27 children who took part, you were all fantastic and excellent ambassadors of the school. A huge thank you to Mrs Paxton, Miss Rowswell and all the parents who have coached and guided the children over the last few weeks. It was also great to see so many families supporting the fair.

### Superstar of the Week:

Congratulations to the following children who are their class's Superstar of the week:

**Donaldson:** Joseph

**Dahl:** Eric

**Rowling:** Ivan

## In the Classrooms:

It has been another busy week in school.

**Donaldson Class** have been undertaking a Science investigation this week discussing and observing how seeds and bulbs grow into mature plants. The children have also been looking at position and direction in Maths.

**Dahl Class** have continued with their Science investigations based on 'States of matter' – looking at evaporation and condensation. The children have continued to investigate money in Maths with some excellent paired discussions. The information leaflets on the Chocolate story have also been completed today and look fantastic.

**Rowling Class** children have worked hard this week. Year 6 have been putting the finishing touches to their SATs preparations and the children are now ready. Whatever happens next week, we know they have worked extremely hard and we wish them all the best. Year 5 have also been excellent focusing on subtraction in Maths and working diligently with their Reading and SPAG activities.

## Year 5 Bikeability – Monday 13th and Tuesday 14th May

Please remember your bikes, wet weather clothing and suncream, the sessions will go on irrespective of wet weather so please be prepared. Bikes can be left at school overnight.

## Countryside Day - Duncombe Park Wednesday 15th May

This trip is for **reception to Year 5** and is within school hours. Please remember your packed lunch (unless you have ordered a school one) and water proof coat, a school sweatshirt to be worn but comfortable trousers/legging and shoes for a day outside.

## Tuesday 21st May – Year 3 and 4 parents afternoon:

There will be a Parents afternoon on Tuesday 21st May from 2.15 – 3pm based on the theme "Chocolate extravaganza". We would like to invite all parents of Dahl class to attend if possible.
