Yoghurt or fresh fruit	Yoghurt or fresh fruit	Artic roll and peaches	Chocolate muffins	Fresh strawberry cream scone

This week's Superstars are:

Donaldson: Dominic Dahl: Erin Rowling: Tallulah

Congratulations to our three Superstars this week. Well done, you have all worked really hard.

It has been another great week, although a little damp at times. The countryside day was a great success on Wednesday for all the KS2 children, even though it was a little wet and cold we all had a great time.

In the Classrooms:

Donaldson Class have had a visitor in the class this week. Mrs Moxon (our local Vet) kindly gave up some of her time on Thursday to come and visit the class and check the health of the two class guinea pigs (Strongbow and Pepper Pickle). This is part of their Science investigations on looking after animals and as part of the Reception children's role play area of a Veterinary Surgery. The children asked lots of questions and had a great time – thank you Mrs Moxon.

Dahl Class have been exploring the digestive system as part of their Science project, investigating the main functions of the digestive system and why it is important to the human body. Also they have been looking at what happens to our food that we eat. The children have also begun to explore, as part of their project: Can we sail the seven seas? Captain Cook and what he is famous for.

Rowling Class have had a great week with lots going on. The Year 6 children have visited their respective Secondary schools: Ryedale and Lady Lumleys and they now know their tutor groups and tutors for next year. The Year 6 children also went to Crucial Crew in Scarborough on Thursday for an actioned packed morning. All the main services were there discussing how to keep safe. The final touches have now been made to everyones rockets ready for launch day and the children are now strating to create their own creatures for the moon to help answer the question: Can we live on the moon?

Donaldson Class Toy Project:

As the children are learning about toys new and old, Mrs Paxton would like to invite parents or grandparents of Donaldson Class children to come and discuss, with the children, about a toy they are fond of. This event will be held on Thursday 20th June from 1.30pm. A letter will be sent out tonight with a reply slip at the bottom

Phonics screening check:

This week both children in Year 1 and some in Year 2 did the Phonics Screening Check. All the children did very well with excellent results – well done everyone!

Sports Day:

Sports day, subject to the weather, will be held on Wednesday 3rd July. We are aiming for a 9.30am start with a number of events planned for the morning session. FOSS will be holding their traditional 'Sports Day lunch' (more details to follow) and there will be the traditional races in the afternoon session. The Year 6 children will also be holding stalls at the end of the races and all proceeds will go to help fund new books in school. We hope to see you all there!

Countryside Day – Harrogate

The Key Stage 2 children really enjoyed the Countryside Day at Harrogate on Wednesday. The weather was miserable and unnaturally cold for June, however all the children and staff had a great time. There were a whole host of activities including: sausage making, gamekeeping, biscuit decorating, tree listening and many more.

Dates for Diary:

Friday 7th June

- Reception year 1 and 2 Swimming (6 weeks until 12th July)

Wednesday 3rd July

- Sport day

Friday 12th July

- Duck race and picnic (after school)

Friday 19th July

- break up for Summer holiday

Wednesday 4th September

- Back to school

Have a good weekend and see you all on Monday.

Mr Roden
