Thank you to everyone who was able to attend Parents Evening this week. It was great to see everyone for such a positive two evenings and share all the great work the children have produced so far this term.

**Donaldson Class** have had a great week and after applying for positions on board Shackleton's ship. They now know their positions and they have all produced some fantastic writing. They will all be arriving in Antarctica in the next few days and I can't wait to see the diary entries that they will be writing.

**Dahl Class** have been busy building their Viking long ships from a selection materials, which is further developing their knowledge of the Vikings and how they lived. I also saw some keen children in Maths yesterday morning.

**Rowling Class** have received a letter from Prince Charming (as part of their focus on the fairy tale Cinderella) who has also sent the class a pumpkin. One of the children said, 'it's to give us inspiration for our writing'. I can't wait to see their final pieces of writing next week.

**Well done again everyone on a great week!**
