Fruit crumble and custard	Yoghurt or fresh fruit	Banana & ice cream boats	Yoghurt or fresh fruit	Flapjack and orange

It has been another great week in school and really busy too!

In the Classrooms:

Donaldson Class have been working hard on their Maths this week solving problems involving multiplication and division. The children have also been developing questions in preparation for yesterday's Toy afternoon with parents. It was great to see so many parents discuss their favourite childhood toy and a big thank you to everyone who was able to attend. The children had a great afternoon – a big thank you to Mrs Paxton for organising everything.

Dahl Class have continued to investigate the human body focusing on the digestive system. The children have been intrigued and using their scientific knowledge to complete a range of tasks. Their new project, 'Can we sail the seven seas?' is in full swing now with the children building their knowledge of Captain Cook and learning a number of sea related songs as part of their music provision.

Rowling Class have finally completed their rockets, however launch day on Wednesday had to be cancelled due to the weather. They will be blasting off, fingers crossed and weather prevailing, early next week. The children have begun to explore the moon and produced some excellent art work in a pop art style. Next week, they will be exploring the moon landing.

Staffing:

I am delighted to announce the staffing structure for September 2019.

Class	Staff
Donaldson (Reception/Year 1)	Miss Carver Mrs Carrack, Mrs Finney
Dahl Class (Year 2/3/4)	Miss Thompson and Mrs Ashworth Mrs Moon
Rowling Class (Year 5/6)	Mr Roden and Miss Barr Mrs Wass and Mrs Finney

Donaldson Class – Show a toy from your childhood afternoon

It was fantastic to see so many parents attending the, 'Show a toy from your childhood' afternoon. There were a great range of toys from cuddly bears to Star Wars memorabilia and many more. The children really enjoyed asking their questions and finding out what toys their parents enjoyed during their childhood as part of the class's 'Toys' project.

UK top Pro Disc Golfer Will Be Visiting on Tuesday 25th June!

We will be visited by one of the UK's top Pro Disc Golfers who has also appeared on Blue Peter trying to break a world record for the most speed putts using a **Frisbee**! He will be teaching us how to throw and catch a **Frisbee** as well as teaching us dynamic, fun **Frisbee** games and challenges to play. We hope to gain an insight into some of the official Disc Sports, such as Ultimate **Frisbee** and Disc Golf and of course to be wowed by some awesome demonstrations by Chris!

Why not check what it is all about on <http://www.catchthespirit.co.uk> and find out more about the "way of a **Frisbee**".

Should you wish to buy a **Frisbee** after experiencing first-hand the fun that can be had, Chris has agreed to bring the **Frisbee** he recommends for families.

- The Aerobie Superdisc is the main disc used for key stage 2+ and retails at £9.50 plus postage in the Flying Disc shop on the website but Chris has kindly offered to will sell them for £9 on the day.
- For younger children the Aerobie Dogobie is an excellent choice – £7.50 online, just £7 on the day.
- Collectable mini **Frisbees** in a variety of colours! These are just £1.50 each.

Year 6 Photographs

As part of the Year 6 Leavers assembly, we would like Year 6 parents to bring in any photographs they may have of their children when they were younger. This will form part of their leavers assembly to be held on the afternoon of Thursday 18th July with a 2pm start.

Sports Day:

Sports day, subject to the weather, will be held on Wednesday 3rd July. We are aiming for a 9.30am start with a number of events planned for the morning session. FOSS will be holding their traditional 'Sports Day lunch' (more details to follow) and there will be the traditional races in the afternoon session. The Year 6 children will also be holding stalls at the end of the races and all proceeds will go to help fund new books in school. We hope to see you all there!

Big Sing at Helmsley School – Wednesday 26th June

Year 1 and 2 will be going to Helmsley school for a “Big sing and teddy bears picnic” on Wednesday 26th June. Transport is via minibus, if your child normally has a school meal they will be provided with a picnic lunch.

Please remember your teddy bear.

Helmsley Community Primary School is looking to appoint an ATA/MSA to work alongside our teachers in Key Stage 2. You will be an integral part of the team with a passion for working with young children. This is a brilliant opportunity for someone with initiative and enthusiasm to support the development of our school. This is a contract for 15 hours as an Advanced Teaching Assistant and 3 hours as a Midday Supervisor. The hours of work are 3 days a week, term time only. For more information please check out the Helmsley website.

Dates for Diary:

Friday 7 th June	- Reception year 1 and 2 Swimming (6 weeks until 12 th July)
Tuesday 25 th June	- Whole school Pro Disc Golf day (one workshop per class)
Wednesday 26 th June	- Reception Year 1 and 2 Big Sing Helmsley
Thursday 27 th June	- Ryedale School Open evening
Friday 28 th June	- Year 4 Camping
Wednesday 3 rd July	- Sport day
Thursday 4 th July	- Year 6 Dalby trip
Friday 6 th July	- Year 6 Ryedale Induction afternoon
Tuesday 9 th July	- Reception Year 1 and Year 2 – Sea life centre trip
Friday 12 th July	- Duck race and picnic (after school)
Tuesday 16 th July	- Reception to Year 5 Transition afternoon
Thursday 18 th July	- Year 6 Leavers assembly from 2pm
Friday 19 th July	- break up for Summer holiday
Wednesday 4 th September	- Back to school

Have a good weekend and see you all on Monday.

Mr Roden
