Bewerley Park

What a fantastic week the Year 6s have had at Bewerley Park. They have done: Zip wire, Brimham Rocks, Canoeing, Den Building and a very long but enjoyable walk plus many other night time activities. Every single one of them have gained new skills, made long lasting memories and bonded as a group. Team work has been the main focus of the week and that has been

evident throughout the couple of days that I spent with them. They have been an absolute credit to Sinnington Primary School and our instructor, Darron, was very impressed with all the children and their determination to do well even having smiles on their faces building dens in the pouring rain.

I must apologise for the lack of updates earlier in the week from Bewerley and next year there will be regular updates through a number of communication platforms.

Communication

As a school we are just undergoing training on creating both a school Twitter and Facebook account where parents will have instant updates and pictures of the activities children will be doing both in class and on school visits. The website is also undergoing a re-vamp where there will be a dedicated page for each class showcasing the learning that is going on and an overview of the learning that will take place over the year. We should be going live with all these new communication platforms in the coming weeks and I will keep you updated of our progress.

Author Visit

Just a quick reminder that author Andy Seed will be visiting school on Thursday 27th September and holding an authors session with each class throughout the day. Andy will also have some time to do a book signing and he will have a selection of his books for sale which children are more than welcome to purchase. Prices range from £5 to £8, so please ensure your child brings some money on the day to purchase a book.

McMillan Coffee Afternoon - Friday 28th September

Raffle tickets are now available for sale every morning before school, at 50p a ticket or books of tickets for £2.50. We have had a large number of prizes donated from a range of local businesses. Any tombola prizes would be gratefully received, as the children will be running the tombola, no alcohol please. On the day we will be having a "Buns at break" event for the children and we ask they bring in a suggested donation of £1.00. Any donations of cakes, buns, sweet or savoury items can be brought to school on the morning of the event.

Harvest Festival - Tuesday 9th September

Our annual Harvest festival assembly will be held on Tuesday 9th September at 10am in the Chapel in Sinnington. All are welcome to attend the service. This year we are collecting donations of food for the Ryedale Food Bank. We will update closer to the date what items the food bank are currently short of.
