	Beef Nacho bake ***	Roast Chicken ***	Sausage in a bun ***	Breaded salmon ***
	Yoghurt or fresh fruit	Banana boats and ice cream	Yoghurt or fresh fruit	Flapjack and orange

Our Superstars this week are:

Donaldson: All children in Year 2

Dahl: Tom P

Rowling: Connie

It has been an incredibly short half term, although it has been very busy. The children have all worked very hard, with enthusiasm and they have all produced some wonderful work. Thank you to everyone for their continued support.

Donaldson class have set light to some of their model houses to investigate the effects of the fire of London on the structures of the time. The children have also been busy planting seeds and measuring those that are growing as part of their investigating how plants grow in Science.

Dahl Class had a wonderful celebration finale in the hall for their Can I feed your imagination? Project. There were a number of exciting activities for parents, grandparents, family members and the children to do together. Thank you to everyone who was able to attend and to Miss Thompson for organising.

Rowling Class have had a more structured week following last week's SATs. The children have begun to really explore their project: Can we live on the moon? With a partner, they have been busily designing their space rockets: full of colour, accessories and even some with a parachute for a safe return to Earth. Launch day will be after Half Term and the children will be investigating the forces that affect space travel and what elements make a successful rocket.

Year 6 leavers Assembly will be on Thursday 18th July in the afternoon, time to be confirmed

Sports Day – will be Wednesday 3rd July all day with team events in the morning and races in the afternoon, FOSS are going to do a parents lunch as in previous years.

Dates for Diary:

Friday 24 th May	- Break up for half term
Tuesday 4 th June	- Back to school
Friday 7 th June	- Reception year 1 and 2 Swimming (6 weeks until 12 th July)
