I would like to say a big thank you to all parents and family members who were able to attend all the events in school this week: Donaldson class's 'Fairytale Afternoon', Dahl Class's 'Viking Afternoon' and this morning's Special Superstar Awards assembly. It was fantastic to see so many parents and family members supporting our children and their achievements. Also, a big thank you to F.O.S.S, who set up and ran this year's Halloween Disco which was a great success.

Donaldson Class

What a fantastic afternoon Donaldson class had with their parents and family members on Wednesday for their 'Fairytale Afternoon'. The children did an excellent performance from Jack and the Beanstalk, made beanstalks and then everyone ate some of Granny's Treats. A brilliant end to what has been an enjoyable project. I know the children are now eager to begin their next project after half term.

Dahl Class

Thursday was another busy afternoon with many parents and family members attending Dahl Class's 'Viking Afternoon'. I was unable to attend due to being on a course, but the children I've spoken to all said what a great afternoon it was making Viking Longboats and masks. Well done everyone and the children are now eagerly waiting to find out their next project after half term.

Rowling Class

The children are putting the finishing touches to their Shackleton project and completing their diaries from on-board the ship Endurance. The children have really enjoyed their project and are even more excited to begin their new project on World
