## Super Star awards:

**Donaldson Class: Harris Kirk**

**Dahl Class: Sam Warne**

**Rowling Class: Warren Stanton**

It has been a very industrious week here at Sinnington as we have undertaken assessment week. All the children have given their very best. The tests were done in a settled and stress-free manner, with the results now giving all our teachers information on how we move everyone's learning forward.

### Donaldson Class:

All the children are still investigating properties of shapes with the focus now moving onto 3D shapes. Phonics has been another focus this week with the children learning new sounds plus the class have been looking at Seasonal Changes in Science.

### Dahl Class:

All the children were extremely excited on Wednesday when Kirkbymoorside Pet Store came in with a range of reptiles including: a boa constrictor, turtles and a bearded dragon. It gave the children a first-hand experience of these animals as they continue with their project 'Why do we need a Rainforest?' A huge thank you to John-Henry and John for bringing in the reptiles and providing the children with lots of useful information.

### Rowling Class:

WW1 came to Sinnington on Thursday during our trench day. The children showed great team work and collaboration building their trenches in between rain showers. The afternoon brightened up considerably and the children evaluated and

improved their trenches ready for battle. We had a discussion about being a reporter and what they would write in their newspaper report next week – putting a positive spin on what would have been awful conditions. Under strict rules the children had a mock battle at the end of the day with a defence and attack strategy that would have happened in WW1. Lots of learning took place and many children said how awful war would have been for everyone involved.

The first table to win our Golden Ticket competition enjoyed their Golden Table today with a festive twist.
