Work starts on Monday!

On Monday morning, we will see the building team move in as they begin to create our new classroom at the back of school. We are excited and it will be a fantastic space once all building work is completed.

Please be advised that the current staff car park will be out of use and fenced off with no access during the 11 week programme. All staff will be parking at the Strawberry fields to reduce congestion on Friars Hill. We ask that if your child comes to Breakfast or After School Club, or if you are dropping off/collecting your child during school time please park your car safely and avoid blocking driveways on the main road – there will be no access via car to school. If you have any questions, please drop into school. Thank you for your support and co-operation.

In the Classroom

Donaldson Class have been reading *The Three Little Pigs*. The children have been exploring the book, discussing the characters and created Wanted posters. The Reception children's writing is really developing with some excellent posters. The children are also enjoying their Phonics through our new ReadWriteInc scheme and they have been exploring the number 4 in Maths.

Dahl Class have now arrived in Egypt at the time of Howard Carter discovering the tomb of Tutankhamun. The children have drafted and written a diary as Howard. They have also been working hard in Maths and developing their IT skills during their computing lesson.

Rowling Class have been developing their Geographical skills this week by exploring Mount Everest. They have located the mountain range on a map, dug deep into its' history and learnt some exciting new facts. They have also completed their persuasive holiday brochures for travellers to visit one of the Natural Wonders of the World and gone into great depth in Maths on addition with excellent results.

Parents Evenings

Most parents have now signed up and been allocated a time to see their child's teacher either on Wednesday 9th or 16th October. If you haven't booked a time yet, please do so via MCAS.
