## Welcome back!

I hope you have all had a fantastic Summer – the weather was kind to us all for most part!. The children have all come back refreshed and eager to learn. We have the highest number of Reception children (13) joining us for a September start for a considerable number of years and the highest number of children in school as a whole for quite a few years too.

All the staff have worked extremely hard over the summer and on the two training days to prepare vibrant and inspiring learning environments and fine tune their curriculum plans ready to teach the children to develop their skills and knowledge in all subjects.

I would also like to offer a warm welcome to our two new members of staff Mrs Ashworth and Miss Carver who have both seamlessly fitted into the team.

## In the classrooms:

**Donaldson class** has had a full make over and transformation over the summer. Miss Carver and the team (Mrs Carrack and Mrs Finney) have created a welcoming and purposeful learning environment to cater for the needs of all Reception and Year 1 children. The children have been eagerly exploring their new classroom this week both inside and out.

**Dahl Class** has also been transformed this summer with Miss Thompson and Mrs Ashworth opening up the space into a large, bright and purposeful learning environment to cater for all the Year 2,3 and 4 children in the classroom. The children have been set straight to work this week with their new project starting next week.

**Rowling Class** has also been tweaked a little with a few new resources being created to develop the children and further aid them in their learning. The children have hit the ground running from the first day and they are all into an excellent way of working.

## Homework:

This year, as a school, we are offering homework to children in a different and more dynamic way. I will be holding an informal chat about homework on Friday 13<sup>th</sup> September in the school hall starting at 9am for parents with children in Years 2,3 and 4 (Dahl class) and Years 5 and 6 (Rowling class). This should take around 10 to 15 minutes. Homework will go home starting on Friday 13<sup>th</sup> September.

## Parent helpers:

We would like any parents or grandparents who have spare time during the week to come and help support some children in school with their reading. As last year, Reading is a school priority and we would like to have as many children being heard by an adult read every week in addition to their individual sessions with their class teacher. If you are able to offer your time, please see Miss Ainsworth in the office.

## Named uniform:

As we have a large number of children in school, it is important that your children's clothes have their names clearly marked. Jumpers and other items of clothing do go missing and if they have the children's name in it is far easier to return the clothing to its' rightful owner.

## Dates for Diary:

### Swimming

Wednesday 9<sup>th</sup> October - Harvest Festival at Sinnington Church

Wednesday 9<sup>th</sup> October – Parents Evening 1

Wednesday 16<sup>th</sup> October – Parents Evening 2
