It has been another fantastic week here at Sinnington. Lots of learning and fun has been going on this week, completed by the 3sixty stunt bike team doing an exhibition to the whole school this morning.

In the Classrooms:

Donaldson Class have begun to explore their new project based around toys. The children were busily, this morning, searching for clothing for old fashioned toys in a box full of materials to build up a profile of what different toys look like.

Dahl Class have also begun their new project: Can you sail the seven seas? based on Pirates. The classroom looks very exciting with a pirate ship and the children all seem keen and ready to explore their new project.

Rowling are now putting the final touches to their rockets with launch day in a few weeks time. They are then going to explore their question: Can we live on the Moon? The class also enjoyed a stunt bike workshop with the 3sixty stunt team. They really enjoyed it especially pulling wheelies and skids on the playground!

Transition:

There are a number of transition dates in school this year mainly focused on the children that are coming into our Early Years Class in September 2019. The dates are;

Friday 14th June – 1 hour session for children new to Reception in September 2019 accompanied by their parents.

Wednesday 26th June – children new to Reception class in September 2019 and staying for lunch too without parents.

Tuesday 16th July – Whole school transition where all the children will have the opportunity to go into their new classes for the afternoon and meet their new teacher(s) and do some activities.

New Staff:

I am pleased to announce, after interviews being held either side of Half Term, that we have appointed two new members of staff to join the team. Mrs Suzanne Ashworth and Miss Amelia Carver will join the team from September 2019 and the children will have the opportunity to meet both new members of staff on our whole school transition afternoon on Tuesday 16th July. Both new members of staff, I feel, will be great additions to the team and we look forward to working with them from September.

3sixty Stunt team:

It was a great morning today as the whole school watched the 3Sixty stunt display team go through their paces. The stunts were incredible and all the children thoroughly enjoyed it. It was then the turn of the Year 5 and 6 children to have a go and sharpen their riding skills: pulling wheelies and skids on the playground. Everyone enjoyed it and learnt all about balance and building momentum.

Baby News:

I am delighted to announce that Mrs Carrack and her husband Lee have a new addition. Baby James Daniel arrived safely on Monday afternoon weighing 7lb 4oz. Both Leanne and James are doing well and we send them all our congratulations.

Dates for Diary:
