Dear Parent/Carer,

## **Your School Needs You !**

There are times throughout the school year when we would appreciate some help from parents on an occasional basis or more regularly e.g. on a weekly basis. Below is a table for you to complete if you feel able to help at some point throughout the remainder of the school year. We may ask you to help with activities that your child is not taking part in and we do not normally ask parent helpers to read with their own child's class, but with another class.

All parent helpers need to have a current DBS Certificate and the school will pay for this. In addition, you will be required to read and sign the 'Disclosure by Association' document and the school will provide you with a copy of this.

Please complete the form and return it to the school office by Wednesday 20 September. Once we have received all your replies we will cross check with the school timetable and let you know if and when you would be required.

If you have any questions please contact the school office.

Kind Regards,  
Mrs JL Wells  
Headteacher
