It has been another busy week in school with a couple of class visits and a number of projects drawing to a close as the year nears its end.

## Half Termly Award Winners

**Progress:** Bailey, Harry, George  
**Work Ethic:** Annie, Will, Ben  
**Achievement:** Harris, Izzy, Ivan

Congratulations to all our winners for an excellent half term and thank you to all parents and families who were able to attend today's assembly.

## In the Classrooms:

**Donaldson Class** have been extremely busy this week with two trips. The first was on Tuesday to the Sealife Centre in Scarborough where the children learnt about creatures in the sea and how they live – all the children loved the experience. On Thursday, the class went to the strawberry farm at the back of school. Mr and Mrs Person were very accomodating and even let the children bring back free punits of strawberries. The children have all written a letter as a thank you to Mr and Mrs Pearson for their generosity and fine strawberries.

**Dahl Class** have putting the finishing touches to their 'Can we sail the seven seas?' project and in Maths they have been taking part in the North Yorkshire Sumdog competition. At one point, Sinnington were in first position.

**Rowling Class** have also been putting the finishing touches to their project: Can we live on the moon? Unfortunately, the rocket launch had some technical difficulties (the foot pump broke, although a new one has been ordered!!) Launch day will be next week.

## Reports out today using Mychild at home

Every child's report will be available on our communications portal: My Child at School, from 3.30pm today. Everyone has been sent their log-in details. If you have difficulty logging on please contact Miss Ainsworth in the school office.

## Year 6 SAT results.

I am pleased to announce this year's Key Stage 2 SATs results. All the children have worked extremely hard and their hard work has been rewarded with the results they have achieved. Miss. Barr, myself and all the staff are very proud of their achievements – well done!

## Breakfast and After school Club

If you are having a clean out of your toy cupboards after school club are looking for board games to expand our provision. Please drop them into the school office.

### After school club

Children at After School Club always have a busy programme of activities designed by Mrs Siggsworth. Thursday's activity was making fruit kebabs as we strive to promote healthy snacks at After School club. A full programme of activities for After School Club will be available in September.

## FOSS Meal Out

FOSS are organising a meal at Spice 4 U in Pickering on Wednesday 17<sup>th</sup> July as a farewell to Mandy Chambers and Lucy Gilhooley who have both been active FOSS members for a number of years! It is open to everyone. We are hoping a few people will come along and get to know us and consider joining FOSS! For more information please check out the FOSS Facebook page or ask at the school office.

## School meals

The cost of producing schools meals is due to rise in September. We are working with County Caterers to ensure that we can continue to provide children with healthy meals using fresh produce from local suppliers in the most efficient way possible. Unfortunately, the school does not have the resources to subsidise this increase and it will therefore be necessary to increase the charge for a school meal with effect from September 2019. The cost of a meal will rise from £2.35 to £2.50 for all three primary schools in The Ryedale Federation. The cost of a nursery meal will increase from £1.85 to £2.00.
